Sir,

**Sub:** Provision for lateral entry to 3<sup>rd</sup> semester of M.Sc (IT) and 3<sup>rd</sup>,5<sup>th</sup> semester to B.Sc(IT) in this University

**Ref:** Your office letter no. PICT/HRD/PGDCA/05/4500 dated 26<sup>th</sup> September 2005

I acknowledge the receipt of your office letter cited under reference and state that the matter was put before the Academic Council today. The contents of one of the enclosures of your letter i.e the one that apparently is issued by the Assistant Registrar of the Guru Nanak Dev University Amritsar, recognizing the PGDCA course of your institution as equivalent to that of their University was also put before the council.

After discussions the council has agreed to permit those who have done your PGDCA course to take direct admission to 3<sup>rd</sup> semester of M.Sc (IT) and those who have passed DCP (Diploma in Computer Programming) to take direct admission to 3<sup>rd</sup> semester of B.Sc(IT)

As regards MDIT, no decision could be taken as, as per the evaluation norms in force, giving direct admission to 5<sup>th</sup> semester jeopardizes that evaluation system.

For prospectus and admission forms please contact Virtual Education Trust, UU 11, Pitampura, Delhi. The last date for admissions is 29-10-2005.

A signed copy of this letter is being dispatched.

Thanking You

Yours Sincerely

  
Registrar
