

PUNJAB INFOTECH & PSBTE SIGN MOU FOR INTRODUCING JOINT PGDCA

PUNJAB INFOTECH and PUNJAB STATE BOARD OF TECHNICAL EDUCATION and INDUSTRIAL TRAINING are jointly introducing a Post Graduate Diploma in Computer Applications. A MOU was signed here today between Punjab Infotech and the Board in the presence of Mr Suresh Kumar, IAS, Principal Secretary Department of Technical Education and Chairman, Punjab State Board of Technical Education.

This is the first Post Graduate Course to be introduced by the State Board of Technical Education in Punjab.

“The affiliation with the Board for PGDCA will provide a boost to the IT education and employability of the youth in the State. The course has been designed keeping in mind the current need for technology skills in the market and to translate student training into job opportunities” said Mr. R. K. Verma, Managing Director, Punjab Infotech. The course shall be conducted by Punjab Infotech through its authorized CAL-C training centres spread across the State and the examination shall be conducted by the Board. At present there are 147 CAL-C centres in Punjab and other States.

Punjab Information & Communication Technology Corporation Limited (Punjab Infotech), ISO 9001:2008 certified Punjab State Government Undertaking, has taken number of initiatives like NAC-Tech, NAC, GTT and P-ToSS towards the development of quality human resources in the State.

Punjab Infotech, through its CAL-C program, offers various hardware and software courses to the students across the State, particularly in the rural/ semi urban areas. It has been conducting various long term and short term computer course through its authorised training CAL-C since 1998. These courses include Diploma and certificate courses in Software, Hardware, Mobile repair and networking etc.
